

Lesson Plan of **ANALYTICAL AND ENVIRONMENTAL CHEMISTRY** for class **BOT S1 (23-26)**

Faculty: DiveshKumar K V

Available Hours: **19**Planned Hours: **19**

Sl.No	Date	Per	Mod	Sub Topic	Mode	Remarks
1	24-07-2023	P4	4	Nature of environmental threats and role of chemistry		S1 Class begins
2	31-07-2023	P4	4	Nature of environmental threats and role of chemistry		
3	07-08-2023	P4	4	Nature of environmental threats and role of chemistry		
4	14-08-2023	P4	4	Nature of environmental threats and role of chemistry		
5	21-08-2023	P4	4	Nature of environmental threats and role of chemistry		
6	04-09-2023	P4	4	Green house effect		
7	11-09-2023	P4	4	ozone layer and its depletion		
8	18-09-2023	P4	4	Various factors affecting purity of water		
9	25-09-2023	P4	4	Various factors affecting purity of water		
10	09-10-2023	P4	4	Various factors affecting purity of water		
11	16-10-2023	P4	4	sewage water, industrial waste, agricultural pollution such as pesticides, fertilizers, detergents		
12	23-10-2023	P4	4	sewage water, industrial waste, agricultural pollution such as pesticides, fertilizers, detergents		
13	30-10-2023	P4	4	sewage water, industrial waste, agricultural pollution such as pesticides, fertilizers, detergents		
14	06-11-2023	P4	4	sewage water, industrial waste, agricultural pollution such as pesticides, fertilizers, detergents		
15	13-11-2023	P4	4	sewage water, industrial waste, agricultural pollution such as pesticides, fertilizers, detergents		Internal Exam
16	20-11-2023	P4	4	sewage water, industrial waste, agricultural pollution such as pesticides, fertilizers, detergents		

Sl.No	Date	Per	Mod	Sub Topic	Mode	Remarks
17	27-11-2023	P4	4	sewage water, industrial waste, agricultural pollution such as pesticides, fertilizers, detergents		Publishing of Internal Exam Results , Publishing of Attendance Shortage List , Remedial Classes
18	04-12-2023	P4	4	sewage water, industrial waste, agricultural pollution such as pesticides, fertilizers, detergents		
19	11-12-2023	P4	4	sewage water, industrial waste, agricultural pollution such as pesticides, fertilizers, detergents
