

## Khadi Fest – Exhibition and Sale

Date: 17 August 2023

The Khadi Board of India is a prestigious organization dedicated to promoting and preserving the traditional value of our clothing. It also plays a key role in popularizing indigenous fabrics and garments.

As part of the Onam sale celebrations, a traveling Khadi Fest organized by the Kollam Khadi Board visited our college. This event, held in collaboration with our NSS unit, took place when the sales van arrived at our college at 11 a.m. A variety of Khadi products were made available to teachers and college staff at discounted prices. After the sale, the van departed from the college compound at 3:30 p.m.

This initiative served as an excellent way to popularize Khadi products among our college community and raise awareness about the importance of supporting indigenous goods.

## Khadi Fest

As the part of onam sales, there was traveling Khadi fest by Kollam Khadi board. As a part of this, the sales van reached T.K.M college of arts and science and Khadi fest was held at our college in collaboration with our N.S.S unit. The products were available to teachers and staff in discount. The fest helped to popularize Khadi products among N.S.S volunteers and college students.
