

Artificial Limb Fitment Camp (Rotary Club)

Date: 14 December 2023

Humanity at its peak is always a peace to all humans to believe and appreciate the existence of kindness. As the humans consider others too, the arising of selfless service occurs. Selfless services and impactful activities are two way gifts, which provides happiness to ones who does service as well as to the ones who receive it. Moreover it will also be a encouragement for others to get involved in such activities.

The second phase of Artificial Limb Camp organized by our NSS unit in association with Rotary club Thangasherry and Kim's health care was conducted on 14th December. The camp started at 10 am with an official meeting in our college auditorium. The meeting commenced with NSS geetham. Followed by the welcome speech delivered by the chairman of Rotary club Listing Fernandez. The presidential address was rendered by Georgy Philip, President rotary club

was delivered by program officer Dr. Sulfiya Samad. Then the major persons behind the organization of the camp was honored by giving them mementos. Then vote of thanks was delivered by volunteer Aisha Sharaf.

The entire camp taught us a lot of new things as well as made us recognize what all are the things needed to organize and needed for smooth running of a medical camp. And also it was neo experience for all of us. Moreover in the arena of palliative care it is one of our major step.
