

Lung Cancer Awareness Campaign

On August 1st, 2023, the NCC cadets from the 3 Kerala Girls Battalion (SW) conducted a Lung Cancer Awareness Campaign at Kottamkara Panchayat. The campaign aimed to educate the local community about lung cancer, its causes, symptoms, and preventive measures, emphasizing the importance of early detection and a healthy lifestyle. 20 cadets participated in the program. During the event, the cadets engaged with local residents through interactive sessions, pamphlet distribution, and discussions on the harmful effects of smoking and pollution, two major contributors to lung cancer. The cadets shared valuable information on symptoms to watch for, such as persistent cough, chest pain, and shortness of breath, and encouraged people to seek medical advice if these symptoms were present. Health experts and doctors were invited to speak at the event, explaining the risks associated with tobacco use and second-hand smoke, and highlighting lifestyle changes that could reduce lung cancer risk. Additionally, free check-ups and basic screenings were offered to attendees to raise awareness about lung health.
