

COLLABORATION AGREEMENT

Between

Department of Biochemistry

T. K. M. College of Arts and Science, Kollam

And

All Kerala Blood Donors Society (KEBS)

This Collaboration agreement entered on 11/11/2021 between Department of Biochemistry, T. K. M. College of Arts and Science and All Kerala Blood Donors Society (KEBS)

Objective of Collaboration

1. To provide general awareness about Voluntary Blood Donation and its importance in society
2. To encourage students to volunteer for blood donation activities
3. To make students aware about blood related illnesses like haemolytic anaemia, sickle cell anaemia etc

SCOPE OF THE COLLABORATION AND SERVICES TO T. K. M. College of Arts and Science, Kollam, 691005

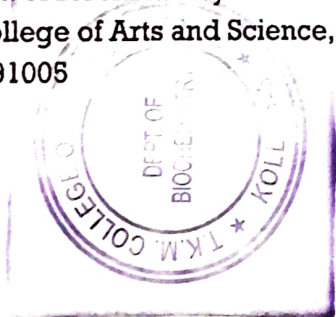

- A. KEBS will provide training and awareness programs for the students and staff members.
- B. T.K.M. College will have a Blood Donors database (Blood group directory) of students, family members, faculty and non-teaching staff.
- C. The students of the college will thereby be benefited by getting information about their own haematological conditions like level of haemoglobin, anaemia etc.
- D. TKM College will strive to come to the forefront of Voluntary Blood Donation activities in the state.

SERVICES TO KEBS

- A. TKM College will take efforts to conduct Voluntary Blood Donation Camps periodically as well as in emergency situations.
- B. The blood group directory of the college will be beneficial for identifying required blood donors, especially rare blood group donors.
- C. Students of TKM College will take a lead role to make Kollam District a 100 % Voluntary Blood Donation in the district.

This letter of collaboration is valid for 3 years from the date signed by two parties.
