On November 10, 2023, a blood donation camp was successfully conducted in the T.K.M. College of Arts and Science college auditorium from 9:00 AM to 12:30 PM. The primary objective of the camp was to promote voluntary blood donation and support patients in need at government hospitals. This collaborative initiative was organized by the Department of Biochemistry, Health Club, NCC, HDFC Bank, and the All Kerala Blood Donors Society (KEBS), with the blood being collected by the Blood Bank Wing of the Government Medical College, Kollam.

The event commenced with the setup of the blood donation camp in the college auditorium. A dedicated registration desk was arranged where volunteers recorded the donors' personal details and conducted preliminary health screenings to ensure their eligibility for donation. Trained by the Blood Bank staff of the Government Medical

College, Kollam, the volunteers guided donors throughout the entire process, ensuring a smooth and organized workflow.

Moments from the Blood Donation Camp: Commitment to Saving Lives

Eligible donors were directed to the blood collection area, where qualified medical professionals handled the blood collection process. After donating blood, participants were offered refreshments and given time to rest.

The camp witnessed an enthusiastic response, with a total of 96 participants, including male and female students, as well as faculty members and non-teaching staff, registering for the event. Out of these, 41 volunteers were deemed fit to donate blood. The collected blood was securely stored in refrigerated containers and transported to the Blood Bank at the Government Medical College, Kollam, for further processing and distribution.

After the event, Dr. Latha B., Head of the Department of Biochemistry, presented certificates to the blood donors as a token of appreciation for their noble gesture. The medical professionals from the Government Medical College, Kollam, commended the efforts of the Department of Biochemistry, particularly acknowledging the contributions of Dr. Latha B. and Dr. Ansil P. N., the coordinator of the camp, for their exceptional organization and dedication.

Certificate presented to the Department of Biochemistry by KEBS.

The blood donation camp was a resounding success, fulfilling its objective of encouraging voluntary blood donation and supporting the healthcare system. The collaborative efforts of various departments and organizations, along with the active participation of students and faculty, made this event a meaningful and impactful initiative.

Blood Donation Camp

Organised by Department of Biochemistry
In association with All Kerala Blood Donor Society (AKBDS)
Govt. Medical College, Kollam & HDFC Bank.

Date : 10-11-25
