The Department of Biochemistry and the Environmental Club of T.K.M. College of Arts and Science jointly organized an awareness talk on "Food Safety and Quality Management" on 14<sup>th</sup> August 2023. The programme was conducted at the seminar hall. It started at 11 am with the prayer song of Sereena, student of S1 M.Sc Biochemistry. Dr. Sumayya.A.S., Assistant Professor, Department of Biochemistry, T.K.M. College of Arts and Science, Kollam, delivered the welcome speech. Dr.Chitra Gopinath, Principal, T.K.M

College of Arts and Science, gave the presidential address. Dr. Raseema.S.R., Food Safety Officer, Kollam Circle, inaugurated the programme. Dr. Latha B., HoD, Department of Biochemistry, T.K.M. College of Arts and Science, Kollam, felicitated the programme and we honored Farisa Fathima, University second rank holder (B. Sc Biochemistry) with a token of appreciation.

Dr. Raseema delivered an informative talk to educate the students and faculty members about the importance of ensuring safe and high-quality food products. The event aimed to raise awareness about the significance of maintaining proper food safety practices and understanding the processes involved in ensuring the quality of the food we consume. The event provided valuable insights into the various aspects of food safety, regulations, and quality management, empowering attendees to make informed choices in their dietary habits. Such initiatives contribute significantly to raising awareness and fostering a culture of responsible food consumption within the academic community.

An interactive session followed the talks, allowing attendees to ask questions and seek clarification on various food safety and quality-related topics. The speakers addressed queries related to food labelling, shelf-life, foodborne illnesses, and more. Smt.Soumya S., Environmental club co-ordinator, proposed the vote of thanks, and the programme concluded by 1 pm.
