

## SYSTEMATIC LITERATURE REVIEW & BIBLIOMETRIC ANALYSIS

The workshop on "SYSTEMATIC LITERATURE REVIEW & BIBLIOMETRIC ANALYSIS" held at TKM College of Arts & Science was a grand success, providing participants with a comprehensive understanding of these crucial research methodologies. Led by esteemed resource person Prof. (Dr.) Biju T., a renowned expert in the Department of Commerce at the University of Kerala, the workshop offered a hands-on experience for attendees to delve into the intricacies of conducting systematic literature reviews and bibliometric analyses. Participants from all over Kerala attended the workshop, with notable participation from three research scholars from Kasargod district. Through interactive sessions and practical exercises, participants gained valuable insights into data extraction from platforms like Scopus and Web of Science, as well as utilizing tools such as R Studio and VOS Viewer for bibliometric analysis.

The workshop's agenda covered a range of essential topics, including the fundamentals of systematic literature reviews, guidelines for writing literature reviews in theses and articles, and strategies for framing both systematic literature reviews and bibliometric papers effectively. With a focus on enhancing research skills and methodologies, the workshop provided a platform for participants to engage with cutting-edge techniques and best practices in the field of academic research. Overall, the event proved to be a valuable opportunity for scholars and researchers to deepen their knowledge and expertise in conducting rigorous and impactful literature reviews and bibliometric analyses.

# About the Workshop

The theme of the workshop is "SYSTEMATIC LITERATURE REVIEW & BIBLIOMETRIC ANALYSIS". SLR is a very thorough investigation to find out everything that's already been written about a specific topic or question. It's like gathering all the pieces of a puzzle related to that topic from books, articles, and research studies. SLRs have become a major methodology in all disciplines. This workshop attempts to provide a comprehensive coverage about Systematic Literature Review and Bibliometric Analysis. The workshop will be in offline mode.
