

## Report on Academic Training for Life Science Students

The poster is divided into two main sections. The left section has a teal background and contains an illustration of a person at a microscope, a person at a computer, and a person at a presentation board. Below the illustration, the following text is listed: Date: 7th Feb, 2024; Time: 10.00 am; Venue: Seminar Hall; Targeted Audience: Life Science students. The right section has a light grey background and features the college logo at the top left, followed by the college name and accreditation. The main title is centered in large blue letters. Below the title, the organizing department and placement cell are listed. At the bottom right, the session handler's name and company are listed in bold blue text.

**T.K.M. COLLEGE OF ARTS & SCIENCE**  
(Re-accredited by NAAC with "A++" Grade)

**ACADEMIC  
TRAINING FOR LIFE  
SCIENCE STUDENTS**

Organised by **Department of Biochemistry**  
in association with  
**Career Guidance Training & Placement Cell,**

**Session Handled by:**  
**Bibin Kunjumon**  
**Sareena Thaha**  
**PVT MERIT BIOLABS**

Date: 7th Feb, 2024  
Time: 10.00 am  
Venue: Seminar Hall  
Targeted Audience:  
Life Science students

The Departments of Biochemistry and Zoology, in collaboration with the Placement Cell of T.K.M. College of Arts and Science, organized an **Academic Orientation Programme** for students of Biochemistry and Zoology on **7th February 2024**. Held at the Zoology Laboratory, the event was conducted in association with **Merit Biolabs Pvt Ltd** and **Seto International Training and Consultancy**, aiming to highlight the importance of the **HACCP course** and the career opportunities it offers.

The session began with a silent prayer, followed by a warm welcome address by **Dr. Latha B**, Head of the Department of Biochemistry. She introduced the resource persons of the day, setting the tone for an engaging and informative event.

### Key Sessions:

1. **Session by Mr. Bibin Kunjumon (Merit Biolabs Pvt Ltd):** Mr. Bibin Kunjumon gave an insightful presentation on the captivating opportunities available in the life sciences domain. He highlighted the remarkable growth and services of **Merit Biolabs**, which include commercial food and water testing, academic project assistance, training, research and development, and consultancy. Sharing his

personal journey and experiences, Mr. Bibin motivated the students to explore careers in science, emphasizing the potential for growth and innovation.

## 2. Session by Mrs. Sereena Thaha (Seto International Training and Consultancy):

Mrs. Sereena Thaha, Managing Director of Seto International, introduced her institute and its impressive success in securing placements for students globally. She provided a detailed overview of the **HACCP course**, covering its structure, mode of delivery, examination process, and certification. She emphasized how this internationally recognized certification can open doors to high-quality, well-paid jobs in India and abroad.

## Orientation Program for Life Science Students

The event also featured an engaging **interactive session**, where students posed their queries to the resource persons. This open dialogue helped clarify various aspects of the training and career opportunities discussed.

Students shared their feedback, expressing how the session served as an eye-opener to the exciting opportunities in the life sciences field.

The programme concluded with a vote of thanks delivered by **Dr. Latha B**, who expressed her heartfelt gratitude to the resource persons, organizers, and participants for their valuable contributions to the success of the event.

This orientation programme successfully provided students with a comprehensive understanding of career prospects in life sciences, inspiring them to strive for excellence and make informed decisions for their future endeavors.
