

Report: Job Orientation Programme on “Introduction to Patents and Career Opportunities”

The "Job Orientation Programme on Introduction to Patents and Career Opportunities" was organized on the 31st of July 2023, 12.00 PM at the Multimedia Lab of T.K.M. College of Arts and Science in Kollam, Kerala, India. The event was organized by the Department of Biochemistry in collaboration with the Career Guidance Training and Placement Cell.

The Controller General of Patents, Designs, and Trade Marks (CGPDTM) has recently announced the CGPDTM Patent Examiner Recruitment 2023, offering a remarkable opportunity to recruit 553 Patents & Designs Examiners. Recognizing the significance of this opportunity, the Department of Biochemistry, in collaboration with the Career Guidance Training and Placement Cell of T.K.M College of Arts and Sciences, organized a Job Orientation Programme to empower prospective candidates to make the most of this exceptional career opportunity. The program was specifically designed to assist Biochemistry, Chemistry, and Physics postgraduate students in their preparation for the CGPDTM Patent Examiner Recruitment.

The program commenced with a warm welcome by Smt. Ajinza A (Programme Co-ordinator), who extended greetings to all participants. Dr. Chithra Gopinath, the Principal of T.K.M. College, delivered a presidential address. She emphasized the importance of understanding patents and their role in the world of innovation. Inaugural address delivered by Smt. Parvathy S, the Assistant Controller of Patents and Design at the Indian Patent Office in Kolkata. Dr. Latha. B, the Head of the Department of Biochemistry, offered felicitation during the event. Dr. Jeena R, the Coordinator of the Placement Cell, extended a heartfelt vote of thanks to all participants, the distinguished speaker, and the organizing team. The interactive sessions encouraged participants to engage and seek clarifications. Participants actively engaged in interactive sessions, allowing them to seek clarifications, discuss their concerns, and learn from the experiences and insights shared by the experts.
