

CAREER OPPORTUNITIES IN MARINE SCIENCE

The Department of Zoology in association with the Environmental Club of the college organized a talk on career opportunities in marine science. Though the programme was planned in May 2021 it was later clubbed with the observance of UN World Ocean Day on 12th June 2021 via Google Meet & YouTube Live. Dr. Jean Jose. J (Assistant Professor and Research Guide, PG & Research Department of Zoology, St. Gregorios College, Kottarakara) inaugurated the programme and gave an awareness talk on ‘Coastal Research—a multidisciplinary approach.’ He also demystified the job and research opportunities in marine research across India and abroad.

He demystified the job and research opportunities in marine research fields across India and abroad. The virtual online seminar was attended by students, researchers and faculties from host institute and other colleges.
